Markie

Dear Friend,

Many of you are aware of the recent, tragic loss of Markie Thomas, who was a member of the Kuhn Dental team for over 34 years. As a Hygienist, her dedication and professionalism set the standard to which we strive to achieve every day. Markie's personal attention to patients, family, friends, co-workers, and everyone she met exemplified human kindness and compassion at its very best.

Because so many have expressed the desire to honor her memory, The **Markie Wicker Thomas Dental Hygiene Memorial Scholarship** has been established to provide tuition for the continuance of excellence in the field of Dental Hygiene at her Alma Mater of UNC Chapel Hill. Markie loved her chosen career and mentored many others in dental hygiene through the years, most recently her daughter Katie, who is presently in the Dental Hygiene Masters Program at UNC Chapel Hill. All who knew Markie know that this memorial will honor her dedication to both her career and the institution she loved so much!

We invite you to honor Markie with your contribution to the:
Dental Foundation of North Carolina (DFNC)
UNC School of Dentistry
CB #7450 1090 Old Dental
Chapel Hill, NC 27599

For: **Markie Wicker Thomas Dental Hygiene Memorial Scholarship**

We also ask for your continued prayers for Markie's family, friends and our team as we adjust to life without her physical presence. However, as your dental care team, we will continue as Markie would have us do! We have always set a goal to provide optimal care for our patients. Though the facility is important, the spirit in which we perform is even more significant. It is in Markie's spirit that we will walk through the doors every day and greet those of you who honor us by allowing us to serve you. We dedicate our lives and practice to her exemplary standards of patient care and human excellence!

Thank you for being a precious member of our practice family! We are so grateful that Markie, and each of us, have been surrounded by such wonderful people over the years!

Sincerely,

David R. Kuhn, DMD

Mandy Kuhn Grimshaw, DDS

Ritt Kuhn, DMD

And Team Members
